**Share the Heart of Your Work by Creating  
Your Impact Snapshot**

**Sometimes you only have a moment to share the heart of the work you do. In this workshop, participants will learn how to clearly identify who they are, what they do, and why their work matters. Together, we'll turn those ideas into a powerful and concise impact snapshot -a message you can confidently use to spark conversations, build connections, and strengthen partnerships in your community.**

**Part 2 of a Two-Part Series  
Civic Engagement/Leadership**

**Join us for an engaging session to learn more about how you can become a leader and empower other leaders in Civic Engagement. You can think about how your organization might develop a plan for outreach and Civic Engagement through relationship based community organizing principles.**
