## La ciencia de la sonrisa

Descubra el profundo impacto que una simple sonrisa tiene en el desarrollo infantil. Este taller reflexivo y participativo de una hora combina conocimientos clave de la psicología del desarrollo con estrategias prácticas y cotidianas que usted puede utilizar para crear vínculos más fuertes y saludables con los niños a su cargo.

### The Science of Smiling: Fostering Early Childhood Development Through Connection

**A One-Hour Interactive Workshop for Parents and  
Early Childhood Professionals (English)**

Discover the profound impact of a simple smile on a child's development. This reflective and engaging, one-hour workshop combines key insights from developmental psychology with practical, everyday strategies you can use to build stronger, healthier bonds with the children in your care.

## Lead with Confidence, Engage with Purpose (the Art of Facilitation)

Effective facilitation is more than guiding a discussion—it's about creating an environment where participants feel valued, heard, and inspired to contribute. In this interactive workshop, we'll explore practical techniques and creative strategies to keep your audience engaged from start to finish. Whether you're leading a meeting, training, or community conversation, this session will equip you with actionable tips and fresh ideas to make every interaction impactful and inclusive.
