

WEmagination Learning Labs

STRATEGIES THAT WORK

- ◆ Exploring Brain Science and How It Can Help Diffuse Difficult Behaviors
- ◆ How To Teach Every Subject With A Paper Clip: The Observation, Documentation, & Planning Process
- ◆ What is Scaffolding Anyway?
- ◆ Create an Optimal Space For Learning Using Environmental Psychology

RESTORATIVE PRACTICE

- ♥ Just Plain Play – It's Good For You!
- ♥ Team Building: Creating Higher Levels of Trust & Support
- ♥ The Art of Unplugging: The Benefit of Taking a Brief Vacation from Your Phone

- There is no cost associated with trainings
- Materials are available to take with you in our new space
- Labs are 2 hours long with Professional Development certificates emailed to you
